**Attachments:** Comment Letter on Surface Water Sampling Plan dated August 4 2014.pdf

Hi Mark,

I have attached my comments on the Leadwood Surface Water Sampling Plan. Sorry for the delay. I will send you a signed copy a little later. Fairly minimal. Please reply if you have questions.

Sincerely,

**Jason Gunter**

RE: Comments on the Draft Surface Water Management Plan submitted on July 2014  
Leadwood Mine Tailings Site, St. Francois County, MO

Dear Mr. Nations:

I have reviewed the Draft Surface Water Management Plan for the Leadwood Mine Tailings Site dated July 2014 and am pleased to provide the following comments on behalf of the United States Environmental Protection Agency (EPA).

**Specific Comments:**

- Section 1.3.4.3, Last Paragraph:** This paragraph states that soil was removed if it exceeded the standards. Please provide the sampling results for this area.
- Section 2.1.1:** Same comment as MDNR regarding the soil cover.
- Section 2.6, Paragraph 2:** Please provide more detail regarding the soil repository issues.

**General Comments:**

Please provide the construction schedule for the supplemental work, including the expected completion dates for each milestone.

Please contact me if you have questions or concerns regarding my comments.

Sincerely,

Printed on Recycled Paper
